## Laughter in the Workplace

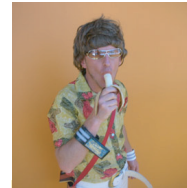

An hilarious team-building workshop that gets the endorphins flowing to reduce stress and promote wellbeing.

Based on the hit comedy show HAPPY YOGA - a parody of **Yoga** meets **Disco!** - includes character comedy by 'Guru Dudu', simple stretches, interactive exercises, music and games.

Meet the crew:

Guru Dudu blends Yoga and Disco to open your laughter meridians

'Hip to be Green' is trying a bit too hard to be green and look hot!

Woody Allen is in town and wants to know everything about you.

## Special Events

David can help you co-create: Variety nights, Themed celebrations, Trivia nights, Experiential Tours, Collaborative art installations.

## Conference Program Design

David can help you design a conference program that will be infused with creativity, interactivity and fresh ideas to create a memorable experience, and achieve your learning objectives.

## Facilitation & Strategy

David is skilled at balancing good facilitation process with the need to achieve practical outcomes that are genuinely owned by the group. He can facilitate:

- Strategy Planning
- Visioning Sessions
- Executive Retreats
- 'Off-site' Team Days
- Stakeholder Meetings
- Creative Brainstorming
- Open space dialogue, World Cafe, etc

## Fun culture change

David also creates workshops for

- Team building
- Leadership training
- Behaviour change
- Conflict-transformation
- Decision-making
- Values exploration
- Fresh Thinking

The focus is on providing practical tools and experiences that can be applied in our daily work.

## Creative Stakeholder Engagement

A fun and interactive layer built-on to your content to engage your audience in a unique way. David creates customised theatre, characters, and multi-media to leave a lasting impression!

Great for:

### Stakeholder Engagement

Employee engagement, market research, internal comm's and behaviour change programs.

### Education & Training

Leadership training, conference presentations, leadership retreats, experiential tours, videos.

### Team Building

Team building workshops, collaborative artwork, special events.

## Conference Entertainment

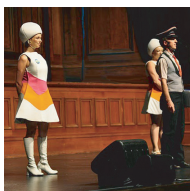

David can **MC** at your next conference, and offer:

### Character performance

Character based 'stand-up' presentations themed to your event, with improvised responses to the material of the day. Roving available too.

### Hoax 'Imposter' Presentations

A cheeky 'keynote presentation by a 'straight man' posing as a reputable researcher or bureaucrat. ...things are slowly revealed to be *not* as they seem.
